Overseas Employment Promoters of Pakistan

Our vision is our Advantage - Putting People First

MISSION STATEMENT

To provide our clients with high quality end to end HR solutions with optimized turnaround time and create lasting relationships with them.

ABOUT US

Salim Agencies was founded in **1964** by Mr. Muhammad Salim Malik (late) in Pakistan with two distinct divisions – end to end HR Solutions as well as Local and Overseas employment services. We have facilitated the placement of more than 100,000 workers from all over Asia to the Middle East, Africa and Europe.

Salim Agencies' expert consultants are the front runners in being able to facilitate client-hiring goals by defining a smart course of action and developing strategies to achieve those goals.

We integrate the human element in our professional approach. From the first contact with us - to successfully meeting the goals, Salim Agencies strives to maintain optimum service at every stage of the hiring process. We work hard to ensure the rights of both the clients and the employees.

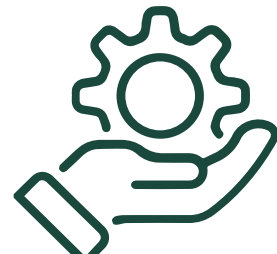

OUR CORPORATE VALUES

- Placing our clients first – our reputation depends on their satisfaction
- Providing professional excellence
- Responding with thorough and reliable service
- Building and strengthening of business relationships and partnerships
- Giving personal attention – recognizing individual goals and objectives
- Integrating the human element with modern technology
